4. **Chairman’s Report**

Alan Drew (AD) presented the Chairman’s Report.

1. **Policies and Procedures (P & P’s):** Alan (AD) the Chair apologised that for various reasons he has not been able to produce the Risk Management Policy and Procedure 02 at present. He will still endeavour to produce the document. **Action: Alan (AD).**

2. **Poor wheelchair access to the hall:** Further investigation of the regulations has shown that a cheap and cheerful solution will not be acceptable to the authorities. Alan (AD) will contact the architect Richard Meynal (RM) to ensure that any proposed plan will be totally compliant. **Action: Alan (AD).**

3. **Key register:** The Chair informed the meeting that the keys register is in abeyance until a more secure front door access solution can be installed. **Action: Alan (AD).**

4. **Working Party:** Sue Monks (SM) and Marie Geary (MG) were invited and attended the meeting.
   a. It was agreed that to have any chance of setting up an Arts Festival for September 2020, we need to get the process in place asap. It was recommended that we approach Jules Simmons (JS) involved in the project on a contract basis. She is still interested in the idea and is keen to make progress. Sue (SM) suggested also asking Ann Beazer to be involved in the organisation of the project.
   b. Barry (BR) asked if there is any indication that the “Village” would actually support any type of Arts festival. Alan (AD) mentioned the questionnaire that will hopefully go out to all the homes in the village. Claire (CM) pointed out that with the schools involved a lot of parents will turn up in support. A point was made that now many of the children at Birdham Primary School do not in fact come from the village at all.
   c. Barry (BR) also mentioned that planning of resource and dates is crucial as many of the required rooms in the Village Hall are rented out everyday for regular hirers.
   d. It was agreed by all that the whole exercise has to be run as a commercial operation. Jules (JS) suggests a biannual event to avoid burn-out of volunteers and perhaps to have an event theme to ensure a fresh approach each time. **Action: Working Party.**
5. **Treasurer’s Report**

The Treasurer, Barry Richardson (BR) presented the accounts position as of October 2019.

Barry (BR) has tried to find out the cost of refurbishing & recovering these chairs but so far without success), and whether we need to order any more folding chairs.

7. **Television Licence:** We have been contacted by Television Licensing regarding a licence for the Village Hall.    a. A number of meetings were held to discuss the possibility of a combined response from the 11 Manhood Parishes – unfortunately it has not been possible to obtain an agreement to do this.

3. **WSCC:** Further savings of approx. £29 million could be required.
   a. The mobile waste/recycling centres at Selsey & West Wittering could be removed as part of this cost saving. Discussions are being held between CDC and parish councils to determine if other options/possibilities are available. It has been agreed that there will be a consultation, organised by WSCC, across the 7 parishes affected before the end of the year.
